Subject: Meeting to Discuss Troopers in MatSu
Date: Monday, December 24, 2018 1:19:47 PM

Mr. Moosey,

The Governor's Chief of Staff asked to meet with you regarding a conversation you had with Governor Dunleavy, prior to the election, about the MatSu Borough possibly funding 50% for additional troopers in the MatSu. I will be leaving for Juneau toward the end of the first week of January, so I was hoping to begin this conversation prior to the legislative session.

Please contact John Espindola in the Governor's office to arrange the meeting should you want to further this discussion. John may be reached at 269-7450.

Thank you,

Amy Demboski
Deputy Chief of Staff
Office of Governor Michael J. Dunleavy
